HOW TO USE THE CENTRIX II SYS.

OFF CAMPUS LOCAL CALL:

Listen to the dial tone, dial "9" and immediately dial the desired 7-digit number. (No waiting for a second dial tone.)

INCOMING CALLS:

Off-campus callers dial the 7-digit number of your assigned telephone and thus bypass the switchboard. Example: "454" and the assigned number.

TRANSFERRING INCOMING CALLS:

Depress the switchhook one time momentarily (automatically puts calling party on hold). Listen for 3 "zip" tones. Dial the 4-digit number to which call is being transferred and when called station answers, depress the switchhook once to connect the parties. After announcing the call you may either hang up or continue the call as a three way conversation. (Note: Only one of the three parties may be outside the Centrex system.) Any of the three parties may hang up at any time without disturbing the call. To transfer a call back to the Centrex operator, depress the switchhook once, listen for three "zip" tones, then dial "0". (Dial "110" if conference call is desired). Give the operator details of the call.

ZERO PLUS AND ONE-PLUS

DIALING REGULAR STATION-TO-STATION CALLS:

Dial "9" plus "1" plus the area code (if different from yours), plus the number.

PERSON-COLLECT-CREDIT CARD

AND BILL TO ANOTHER NUMBER

Dial "9" plus "0" (plus the area code if different from yours), plus the number.

Love affair

We have a love affair going with a beautiful schooner in the tropical Caribbean. And we are looking for 30 adventurous guys and 30 congenial gals to share our decks for an experience under tropical sun kissed days and star-spangled nights. Exuma, Sabon, Gorda Cay, Ma-tinique, Grenada are yours to discover. Pink, white, black sand beaches. Crystal clear waters to dip in.

And, no social director to tag along - you make it on your own. Calypso goombas and Antiguan rock set our tempo 6 days and nights and you share from 3175. See for yourself. We'll send you a free adventure brochure that will blow your mind. Write Captain Mike, P.O. Box 120, Miami Beach, Florida 33139.

Take off your shoes.

Hit the deck in shorts and a tee shirt. Or your bikini if you want.

You're on a leisurely cruise to remote islands. With names like Martinique, Grenada, Guadeloupe. Those are the ones you've heard of.

A big, beautiful sailing vessel glides from one breathtaking Caribbean jewel to another. And you're aboard, having the time of your life with an intimate group of lively, fun-loving people. Singles and couples, too. There's good food, "grog," and a few pleasant comforts...but there's little resemblance to a stay at a fancy hotel, and you'll be happy about that.

Spend ten days exploring paradise and getting to know congenial people. There's no other vacation like it.

Your share from \$245. A new cruise is forming now. Write Cap'n Mike for your free adventure booklet in full color.

A Marine officer is a leader. Some of his leadership qualities he was born with. Some he acquired by tough training and even tougher experience . . . The point is: He can manage. Himself. His men. His missions.

A Marine officer is sure of himself. He welcomes challenge. He never takes the easy way out. Perhaps as early as his freshman year in college, he looked into Marine officer training and saw a challenge. And he was going to meet it. Or know the reason why.

A Marine officer is his own man. An individual. No two officers are alike. They're one of a kind. Yet they run curiously to type: as men who expect the utmost of themselves. And the men they command.

A Marine officer is imaginative. Resourceful. The spirit of "can-do" and "make-do" is as old as the Corps itself. The tradition is: Do the best you can with what you have. Do it promptly, confidently, completely. Do it "by the book", if it's in the book. But if it isn't in the book, write a new page. Yourself.

A Marine officer is ambitious. To him status quo means nothing. He sets his sights on advancement. And he has ample ways and plenty of opportunities to get ahead. The Corps has a vast educational system for advanced and professional training. In many fields: communications, engineering, science, law. Our programs make it possible for a Marine officer to become a full-time student at such institutions as The Wharton School.

A Marine officer is proud. Of his country. His Corps. He is proud of what he does and how he does it. He shares a pride that has been passed from Marine to Marine ever since the Corps was founded 200 years ago.

You may well want to hire such a man. We, of course, want to keep him. And find a few others like him. If you run across a man with his potential and can't get him for yourself, we'd take it kindly if you recommended us to him. We're looking for a few good men . . . who want to lead.

GO TIGERS

Serving proudly for 200 years...

Ever since that small, struggling band that made up the Continental Army of 1775, the U.S. Army has been on hand to help our nation grow in peace, health, freedom and prosperity. Whatever the need--building bridges, dams, waterways or highways, or protecting human life from threatening forces, be they alien aggressors or physical diseases--the Army has come through. And it has come through a better and better Army. Like those proud defenders of 1775, young Americans still come forth to serve their country and keep it strong.

Join the people who've joined the Army.
